

## IOWA LOOKS TO REGULATE “PET ESTABLISHMENTS”

### The Issue.

Iowa House Bill 2280 requires all commercial pet establishments to become “authorized” by the Department of Agriculture and Land Stewardship. The bill provides authorization requirements and procedures, establishes a fee structure and sets forth penalties for violators. **HB 2280 was substituted for HSB 604 and passed the House on February 17th. Bill awaits committee assignment in the Senate.**

### The Impact.

HB 2280 defines “commercial establishment” to include all of the following:

- animal shelter;
- boarding kennel;
- commercial breeder;
- commercial kennel;
- dealer;
- pet shop;
- pound;
- public auction; and
- research facility.

\*\* The definitions for each of the listed “commercial establishments” can be found in Iowa Code section 162.2 (attached below).

### Authorization.

The bill calls for all entities defined as a “commercial establishment” to receive “authorization”, meaning a state license, certificate of registration, or permit, for operation through the Department of Agriculture and Stewardship. Authorization for commercial establishments is as follows:

- A certificate of registration for a pound, animal shelter and research facility;
- A state license for a boarding kennel, commercial kennel or pet shop;
- A state license or permit for a commercial breeder, dealer or public auctions. (NOTE: a federal licensee (USDA licensed) must apply for and be issued a permit or state license in lieu of a permit).

A person must be issued a separate “authorization” for each commercial established owned.

In order to obtain authorization a person must apply to the department and provide the following information:

- The applicant’s name;

- The applicant’s principal office or place of business;
- The name, address, and type of establishment covered by the authorization;
- The beginning and end of the applicant’s fiscal year; and
- The gross amount received by the person from the sales of dogs and cats during the person's last fiscal year. The department in cooperation with the department of revenue may adopt rules providing a formula for a pet shop selling animals and merchandise to estimate the gross amount received by the pet shop from the sale of vertebrate animals.

An authorization expires at the end of the commercial establishment's fiscal year, and must be renewed by the department on or before that date.

**NOTE:** Under this legislation, the department has the right to inspect the commercial establishment of a registrant or state licensee by entering onto its business premises at any time during normal working hours. The department may also inspect records required to be maintained by the state licensee or registrant. If the owner or person in charge of the commercial establishment refuses to allow the department to inspect, the department may obtain an administrative search warrant.

**Fees.**

A commercial establishment must pay authorization fees to the department for the issuance or renewal of a certificate of registration, state license, or permit as follows:

- An animal shelter - No fee;
- A publicly owned pound - No fee;
- A privately owned pound - \$15;
- A research facility - No fee;
- A boarding kennel - \$150; and
- A commercial kennel - \$150.

**The amount of fees required to be paid for the issuance or renewal of a state license to a pet shop, a commercial breeder, dealer, or public auction will be established by the department.**

**NOTE: The Iowa Code already designates license fees for these establishments, but the fees could change at the discretion of the department.**

**Standards of Care**

This legislation also provides standards of care for commercial establishments. The bill states that “a commercial establishment must provide for a standard of care that ensures that an animal in its possession or under its control is not lacking any of the following:

- Adequate feed;
- Adequate water;
- Housing facilities;
- Sanitary control;
- Grooming practices, if such lack causes adverse health or suffering; and
- Veterinary care.”

\*\*Definitions for many of these standards of care can be found in the Iowa Code section 162.2 (attached below).

**Penalties.**

Violators are subject to both civil and criminal penalties. A person who operates a commercial establishment without an authorization by the department is guilty of a simple misdemeanor and each day of the operation without authorization is a separate offenses. A person who owns or operates a commercial establishment that fails to meet the standards of care provided in this bill are also guilty of a simple misdemeanor.

As for civil penalties, the department will decide the appropriate civil penalties for violators of this bill. However, HSB 604 declares that civil penalties can not be more than \$1000 per violation and each day a violation continues is a separate offense. Also, fines for the following can be no more than \$100 a day for failing to comply with authorization requirements:

- A boarding kennel or commercial kennel that keeps fewer than six dogs or cats during a 12-month period.
- A commercial breeder who owns or possesses fewer than six breeding male or female dogs or cats.
- A dealer who buys for resale or sells or exchanges fewer than six dogs or cats as a principal or agent.

1. a. A commercial establishment shall provide for a standard of care that ensures that an animal in its possession or under its control is not lacking any of the following:

(1) Adequate feed, adequate water, housing facilities, sanitary control, or grooming practices, if such lack causes adverse health or suffering.

(2) Veterinary care.

b. A commercial establishment, other than a research facility or pet shop, shall provide for the standard of care for dogs and cats in its possession or under its control, and a research facility or pet shop shall provide for the standard of care for vertebrate animals in its possession or under its control.

2. a. Except as provided in paragraph "b" or "c", a commercial establishment shall comply with rules that the department adopts to implement subsection 1. A commercial establishment shall be regulated under this paragraph "a" unless the person is a state licensee as provided in paragraph "b" or a permittee as provided in paragraph "c".

b. A state licensee who is a commercial breeder owning, breeding, transporting, or keeping a greyhound dog for pari-mutuel wagering at a racetrack as provided in chapter 99D may be required to comply with different rules adopted by the department.

c. A permittee is not required to comply with rules that the department adopts to implement a standard of care as provided in subsection 1 for state licensees and registrants. The department may adopt rules regulating a standard of care for a permittee, so long as the rules are not more restrictive than required for a permittee under the Animal Welfare Act. However, the department may adopt prescriptive rules relating to the standard of care. Regardless of whether the department adopts such rules, a permittee meets the standard of care required in subsection 1, if it voluntarily complies with rules applicable to state licensees or registrants. A finding by the United States

department of agriculture that a permittee complies with the Animal Welfare Act is not conclusive when determining that the permittee provides a standard of care required in subsection 1.

3. A commercial establishment fails to provide for a standard of care as provided in subsection 1, if the commercial establishment commits abuse as described in section 717B.2, neglect as described in section 717B.3, or torture as provided in section 717B.3A.

Sec. 16. NEW SECTION. 162.10B Commercial establishments -- inspecting state licensees and registrants.

The department may inspect the commercial establishment of a registrant or state licensee by entering onto its business premises at any time during normal working hours. The department may inspect records required to be maintained by the state licensee or registrant as provided in this chapter. If the owner or person in charge of the commercial establishment refuses admittance, the department may obtain an administrative search warrant issued under section 808.14.

Sec. 17. NEW SECTION. 162.10C Commercial establishments -- monitoring permittees.

1. The department may monitor the commercial establishment of a permittee by entering onto its business premises at any time during normal working hours. The department shall monitor the commercial establishment for the limited purpose of determining whether the permittee is providing for a standard of care required for permittees under section 162.10A. If the owner or person in charge of the commercial establishment refuses admittance, the department may obtain an administrative search warrant issued under section 808.14.

2. In order to enter onto the business premises of a permittee's commercial establishment, the department must have reasonable cause to suspect that the permittee is not providing for the standard of care required for permittees under section 162.10A. Reasonable cause must be supported by any of the following:

a. An oral or written complaint received by the department by a person. The complainant must provide the complainant's name and address and telephone number. Notwithstanding chapter 22, the department's record of a complaint is confidential, unless any of the following apply:

(1) The results of the monitoring are used in a contested case proceeding as provided in chapter 17A or in a judicial proceeding.

(2) The record is sought in discovery in any administrative, civil, or criminal case.

(3) The department's record of a complaint is filed by a person other than an individual.

b. A report prepared by a person employed by the United States department of agriculture that requires a permittee to take action necessary to correct a breach of standard of care required of federal licensees by the Animal Welfare Act or of permittees by section 162.10A. The department is not required to dedicate any number of hours to viewing or analyzing such reports.

3. When carrying out this section, the department may cooperate with the United States department of agriculture. The department shall report any findings resulting in an enforcement action under section 162.10D to the United States department of agriculture.

Sec. 18. NEW SECTION. 162.10D Commercial establishments -- disciplinary actions.

1. The department may take disciplinary action against a person by suspending or revoking the person's authorization for violating a provision of this chapter or chapter 717B, or who commits an unlawful practice under section 714.16.

2. The department may require that an owner, operator, or employee of a commercial establishment subject to disciplinary action under subsection 1 to complete a continuing education program as a condition for retaining an authorization. This section does not prevent a person from voluntarily participating in a continuing education program.

3. The department shall administer the continuing education program by either providing direct instruction or selecting persons to provide such instruction. The department is not required to compensate persons for providing the instruction, and may require attendees to pay reasonable fees necessary to compensate the department providing the instruction or a person selected by the department to provide the instruction. The department shall, to every extent possible, select persons to provide the instruction by consulting with organizations that represent commercial establishments, including but not limited to the Iowa pet breeders association.

4. The department shall establish the criteria for a continuing education program which shall include at least three and not more than eight hours of instruction. The department shall provide for the program's beginning and ending dates. However, a person must complete the program in twelve months or less.

Sec. 19. Section 162.11, subsections 1 and 3, Code 2009, are amended by striking the subsections.

Sec. 20. Section 162.11, subsection 2, Code 2009, is amended by striking the subsection and inserting in lieu thereof the following:

2. This chapter does not apply to a federal licensee except as provided in the following:

a. Section 162.1, subsection 2, and sections 162.2, 162.2A, 162.2B, 162.7, 162.8, 162.9A, 162.10A, 162.10C, 162.10D, 162.12A, and 162.13.

b. Section 162.1, subsection 1, but only to the extent required to implement sections described in paragraph "a".

c. Section 162.16 but only to the extent required to implement sections described in paragraph "a".
